Radiant Power of Women

2020 WORLD WOMEN'S SUMMIT IN CROATIA

Time for the tribes of all the women of the world to gather in the name of love and light. Time for all women everywhere to meditate, love, laugh, and bring joy, dance, healing, and peace to all.

In our 5 days together we shall radiate the light the world needs right now... with Kundalini Yoga, Sadhana, meditation, chanting, and dancing. This is a time to behold and not to be missed!

Gather your sisters, mothers, daughters, students, teachers, and friends. Now is the time. The time is now. This is how we as women bring peace to the world. Our union in solidarity is the greatest gift we shall give to this world and the generations to come.

See you on the ancient mythical magical island in Croatia.

WE ARE CALLING YOU HOME!
